Education

Dhirubhai Ambani University

CPI: 6.6

2025 - Present

Gandhinagar, Gujarat

12th School Name (GHSEB)

Percentage: 74

2021 - Present

Gandhinagar, Gujarat

10th School Name (GSEB)

Percentage: 76

2019 - Present

Gandhinagar, Gujarat

Experience

Ordex Technology and solution

Backend Developer

May 2023 – July 2023

Ahmedabad, IN

- Utilized Python (Flask) to develop clean, efficient code for a car maintenance project.
- Resolved technical challenges to ensure seamless functionality.
- Collaborated with the team for smooth project execution and on-time delivery.

Projects

techMed | – Python, Flask, MongoDB

- Developed Tech-Med, an e-pharmacy platform to streamline user-chemist interactions.
- Designed intuitive user interfaces for seamless navigation and accessibility.
- Enabled secure prescription uploads and efficient product selection and ordering.
- Implemented a token-based system for secure transaction tracking.
- Enhanced efficiency and convenience in online pharmacy services using advanced technologies.

SeniorCare | – MERN Stack

- SeniorCare: Online platform for elderly assistance
- Services: Home maintenance, caregiving, healthcare
- Users: Seniors, service providers, admins
- Goal: Support independent and comfortable senior living
- Design: Simple interface, strong security
- Easy booking and tracking
- Secure payments
- Reviews and feedback

Upskiller | – Python, Django, MongoDB

- Online platform for creating and enrolling in skill-based, instructor-led courses (like UpGrad/Coursera).
- Instructor dashboard, course management, real-time stats, and learner-friendly course discovery.
- Programming, cooking, public speaking, and more.
- Frontend with Bootstrap/React; backend likely Django; database with MongoDB

Technical Skills

Languages: C++, Python, Java, JavaScript, SQL

Developer Tools: Git, Docker, VS Code, Linux shell, Figma

Frameworks: React.js, Node.js, Express.js, Django, Go

Cloud/Databases: MongoDB, MySQL

Soft Skills: Team Collaboration, Leadership, Problem Solving, Communication, Time Management

Coursework: Data Structures and Algorithms, Operating Systems, DBMS, Computer Networks, Machine Learning

Areas of Interest: Full Stack Development, System Design, AI/ML, Cloud Computing

Achievements

- Member of Business-Club @daiict
- Participated in Hackout2025
- Participated in SSIPGujarat Hackathon2025
